

PHOTOSHOP:

Album Cover

For this assignment, you will choose an album cover to recreate.

- You must incorporate some sort of photographic portrait, either of yourself or someone else.
- Your goal may be to accurately recreate an album cover that you love, or you may create a parody of one - it's entirely up to you!

1. Choose inspiration album cover
2. Digitally photograph portrait - phone or borrow DSLR
3. Make 10"x10" 72 dpi
Photoshop file
4. Paste your portrait into your Photoshop file
5. Make edits/add text/*be creative with your own interpretation!*

For text, I drew lettering and scanned it, copied + pasted onto my photo, and rearranged
