

SHARING YOUR ANIMATED GIF

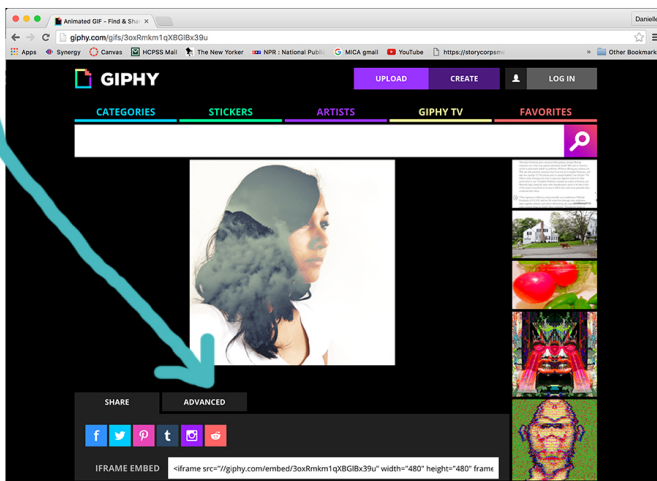

1. When you have finished and saved your animation as a .gif file, go to giphy.com.
Click "UPLOAD."

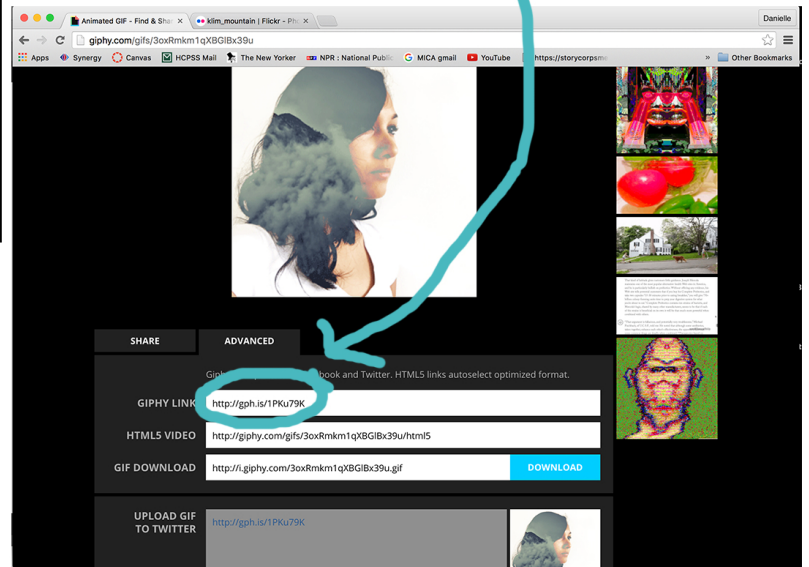

2. This is where you can either click + drag your gif file into the big purple box, or click "BROWSE" to find and upload it.

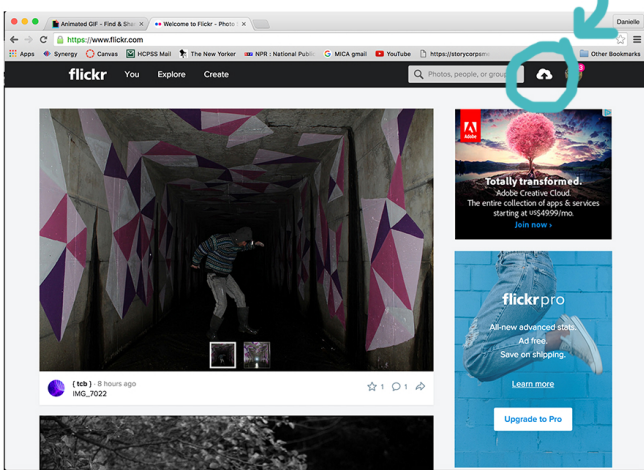

3. Your gif should appear like this.
Now, click "ADVANCED"

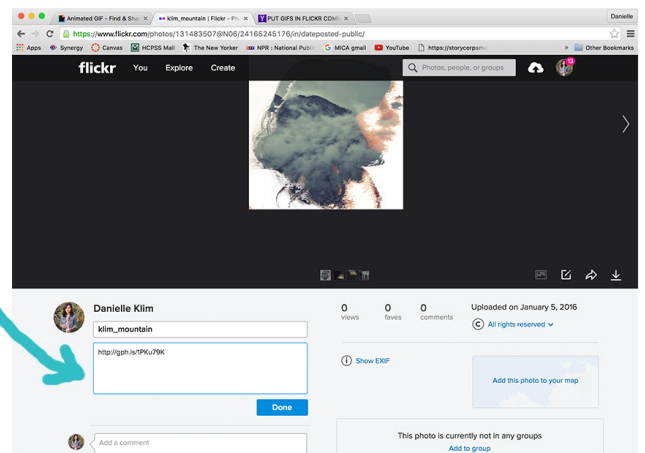

4. Copy the "GIPHY LINK."

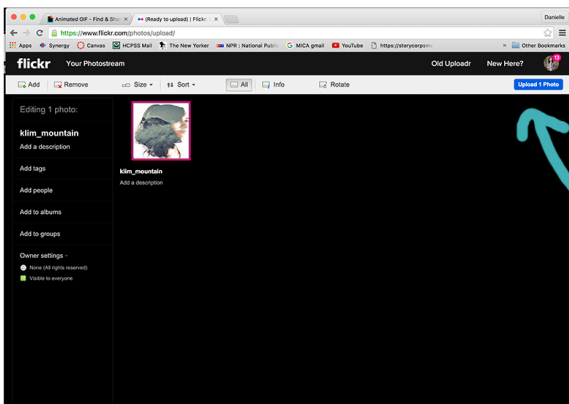

5. Now, go to Flickr and upload your gif.

6. Go to your image, and in the description, paste the giphy link and click "done".

* Don't forget to click "Upload Photo"

Now, even though what shows up on Flickr is a still image, you will be able to open the animation by clicking the link!
